

King's Academy Easthampstead Park

It takes a whole community to raise a child.

Teacher of Science

Required for September 2024

MPR/UPR (Fringe) with possible TLR for Science curriculum development

Full time or part time working are considered

Applications from ECTs warmly welcomed

Start date: September 2024

A fantastic opportunity awaits you; a chance to join a dynamic and supportive Science Department in a forward-thinking school. The post would suit an experienced or newly qualified teacher who is committed to teaching at the highest standard and raising the aspirations and achievements of our students. The successful candidate will be a highly motivated individual who is keen not only to contribute to developing and collaborating on resourcing and best practice pedagogy, but also to take a lead in their own personal development, keeping abreast of change and sharing experience, knowledge and ideas with the Science team. They will join a strong and supportive team of experts, who are fun, welcoming and creative. For the right candidate with relevant experience, we would consider a TLR responsibility, working closely with the Head of Department on leading the science curriculum.

The successful candidate will be confident in teaching Combined Science at KS3 and KS4 to all abilities. Being able to teach Biology, Chemistry or Physics at A-Level would be advantageous but is not essential. In return for your passion, commitment and drive, we offer a highly supportive working environment, students who are keen to learn, and outstanding continued professional development opportunities. Our science department benefits from modern accommodation, support from a fantastic team of technicians, and all science teachers have their own classrooms.

This is a very exciting time to join us. In November 2022, we joined King's Group Academies (KGA), following an associate membership lasting nearly two years. We are really excited by the opportunities this is creating for sharing ideas and approaches across schools. At our last OFSTED inspection (November 2021), we were rated as 'Good' in all areas and the inspection team noted that:

"Pupils enjoy coming to their happy and inclusive school. There is a strong ethos of mutual respect, courtesy and care for others."

"Pupils behave well in lessons and around school. They value the educational opportunities that they receive and want to succeed. Knowing their teachers have high expectations and want the very best for them encourages pupils to take pride in their work. Pupils confidently ask for help when they need it."

We aspire to be rated 'Outstanding', driven by a core belief that all of our students deserve nothing but the best possible teaching and support in order to be happy, healthy and successful. We aim to deliver the best quality teaching and learning in a school where staff and students have respect for, and pride in themselves, their school and their community.

If you feel you have the necessary skills, mindset and determination to join us on our journey towards 'outstanding,' we would very much like to hear from you. Visits to the school are welcomed.

To apply, please complete the application form which you can download from the advert on <https://www.kgaeasthampstead.uk/staff-vacancies/> or contact Rhona Franco, Personnel Officer, at recruitment@kgaeasthampsted.uk.

Closing date: Thursday 1st February at 9am

Interviews: Week commencing Monday 5th February

We are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. An enhanced Disclosure and Barring Service check will be undertaken.
