Calling All Passionate Primary Teachers!

Now imagine extending your impact beyond the primary classroom and into the dynamic world of Key Stage 3 (KS3).

Why KS3?

1. **Building on Foundations:** KS3, spanning years 7 to 9, is a pivotal stage where students transition from primary to secondary school. Your understanding of primary education uniquely equips you to build upon their prior knowledge, ensuring a seamless transition.
2. **Subject Exploration:** At KS3, students delve into a diverse range of subjects, including core areas like English, Maths, and Science. Your passion for teaching can ignite their curiosity and lay the groundwork for future success in Maths and English and keep their confidence levels high.
3. **Holistic Impact:** By joining the KS3 team, you will play a crucial role in nurturing not only academic growth but also social and emotional development. Imagine witnessing the “aha” moments as students connect learning and make progress.

This is a very exciting time to join us. In November 2022, we joined King's Group Academies (KGA). This has created excellent opportunities for teachers to share ideas and approaches across schools, for the benefit of our students.

At our last OFSTED inspection (November 2021), we were rated as 'Good' in all areas and the inspection team noted that:

"Pupils enjoy coming to their happy and inclusive school. There is a strong ethos of mutual respect, courtesy and care for others."

"Pupils behave well in lessons and around school. They value the educational opportunities that they receive and want to succeed. Knowing their teachers have high expectations and want the very best for them encourages pupils to take pride in their work. Pupils confidently ask for help when they need it."

We aspire to be rated 'Outstanding', driven by a core belief that all of our students deserve nothing but the best possible teaching and support in order to be happy, healthy and successful. We aim to deliver the best quality teaching and learning in a school where staff and students have respect for, and pride in themselves, their school and their community.

If you feel you have the necessary skills, mindset and determination to join us on our journey towards 'outstanding,' we would very much like to hear from you. Visits to the school prior to application are warmly welcomed.
