11 September 2024

Dear Parents/Carers

Welcome to Year 11 Evening - Monday 23 September 2024 at 5:00pm

What a positive start Year 11 has made to this academic year, it appears that all students have returned to school after the summer holidays with an understanding of the importance of achieving good GCSE qualifications and are determined to be successful. Year 11, marks a pivotal point in a student's education by preparing them for choices Post-16 and ensuring that students are ready to sit their formal examinations in the summer of 2025.

As we enter the final year of GCSE studies we want to ensure that parents, carers, and students are fully prepared for the months ahead. To support us in working together you are invited to attend the Welcome to Year 11 Evening on **Monday 23 September** in the **Downshire Theatre at 5.00pm**.

As at the Welcome to Year 11 Evening there will only be 24 teaching weeks remaining before the exam season begins. The evening will focus on ensuring that during the limited amount of time we have left that parents, students and school are working towards the same goal. We want our students to be successful and achieve their best and we will need the full support of parents to achieve this ambition.

Alongside sharing key information from Maths, English and Science departments on the evening we will share information on how we intend to support students in developing their own confidence, effective revising knowledge strategies, how students can be supported at home during their studies and what students need to do as they start to think of their choices Post-16.

To book your place please visit <https://epcs.parentseveningsystem.co.uk> or click on the **Parents' Evening link** on the school website www.kgaeasthampstead.uk.
