

King's Academy Easthampstead Park

It takes a whole community to raise a child.

Dear Parents/Carers

Y8 Design Technology Trip to Science Museum – Thursday 30th January 2025

******LIMITED PLACES: 50 places available on a first come, first served basis via ParentPay******

We are pleased to offer an exciting opportunity for our year 8 students to see the knowledge they have been learning in Design come to life at the Science Museum in London. We will be travelling by coach, leaving at 8am and returning to school by 4.15pm approximately. The students started the year in, Design Technology, learning about energy- how we made and use it and the different renewable options we have. They then started to investigate steampunk, which they will also study in their Art lessons. Looking at energy in an alternative imaginative way. The trip to the science museum is designed to help solidify and excite the student and encourage greater imagination in their studies within school.

Included in the trip is a visit to the Wonderlab: The Equinor Gallery. This unmissable interactive experience will ignite your curiosity, fuel your imagination and inspire you to see the world around you in new exciting ways. Enjoy live science shows and demonstrations, met our wonderful science Explainers and reveal the beauty of the science and maths that shape our everyday lives.

The cost of the trip is £32.50 and as places are limited, they will be allocated on a first-come, first-served basis.

Please see attached letter for further details, if you have any queries or concerns, please do not hesitate to contact me via email at Caroline.thake@kgaeasthampstead.uk

With Best Wishes, KAEP Trips
