11 October 2024

Dear Parent/Carers

Re: WCSA Y10 Skills Day – Thursday 24th October 2024

KAEP in partnership with Wellington College would like to invite your child to attend a Skills Day at the Wellington College Student Alliance on Thursday 24th October. This is an exciting opportunity for students to experience and develop aspirational skills for the future and SMART goals. Please see the workshops below.

Workshop 1 – Memory Matters – using the power of creativity and imagination to make learning easier

Workshop 2 – Be Awesome, Be You – improving confidence and self-esteem through self-reflection and looking at values and what success means to them

Workshop 3 – Goal Setting - aspirations for the future and SMART goals

Workshop 4 – Pathfinder – Understanding and Condensing Text and Association Maps

Students will be leaving school at 8.30am, travelling to the event by school minibus and returning to school by approximately 3.40pm. There is no cost for attending this event. Lunch and refreshments will be provided. Vegetarians will be catered for and the College is a nut free environment

This trip is free of charge, however, to enable your child to participate, please complete the emergency contact and medical details section on your ParentPay account. You are also asked if you agree to your child being photographed/recorded which may be used on social media. Please complete this information by Monday 21st October 2024.

Should you have any questions please do not hesitate in contacting me via email at Richard.Lake@kqaeasthampstead.uk

Yours sincerely,

Richard Lake
