Dear Parents/Carers

Surrey University - Year 9 Family Futures

At King's Academy Easthampstead Park (KAEP), we have developed an outstanding formal partnership with Surrey University to support the academic aspiration of all our students. Part of this is a bespoke Year 9 extracurricular programme. The programme is fully funded and offers travel to the university.

Year 9 Family Futures is a 3-month extracurricular programme for students in Year 9 and their parents/carers. Through weekly live webinars, exclusive access to our Outreach Portal and three special on-campus events, you will discover the wide range of available pathways, and build the confidence to pursue your aspirations together. Transport to the university can also be made available.

To be eligible to apply, you need to be in Year 9 and meet one of the following eligibility criteria, which you will find in the document link below.

If you are eligible, this is a great opportunity. It is the product of a strong relationship with the university that will support students all the way through to Year 11. Applications closes on 18 December 2024, so please enquire quickly to ensure involvement.

If you have any questions, please do not hesitate to contact me at richard.lake@kgaeasthampstead.uk.

Yours faithfully
