Dear Parents/Carers

KAEP6 Y13 Pre-Public Exams 12 - 14 February and 24 February - 3 March 2025

With the main A Level exam season only a couple of months away, we have our final set of Pre-Public Exams (PPE's) starting on the 12 February until 3 March 2025.

Please keep this letter, as it does contain useful information for you which will help support your child.

Firstly, I would like to congratulate the students on their superb commitment and attitude towards their studies and exams. They have taken up opportunities, either before and/or after school, for private study and intervention sessions across their subjects.

I would also like to thank you for your continued support during this academic journey, and remind you it is important that we all continue to work together to help your child achieve success, providing the support they need during this time and the build up towards the final exams.

Students should be looking at working through UpLearn, practice exam papers, flash cards and revising in preparation for the up and coming exams in February, March, April, May and June 2025.
