Curriculum Leader for Performing Arts, Teacher of Drama and/or Dance

MPS/UPS (Fringe) + TLR 2A £8,279 per annum

From 1st September 2025

We are seeking to appoint a dynamic, forward thinking and ambitious Curriculum Leader for Performing Arts. The Performing Arts department at KAEP comprises Drama, Dance and Music, and is made up of three teachers and a dedicated technician. The successful candidate will be a Dance or Drama specialist, but will also have a passion for expressive arts more broadly, and will be excited by the opportunities of leading a multidisciplinary team.

The successful applicant will have a sharp understanding of what quality-first planning and teaching looks like, the emotional intelligence required to coach and grow others, and an unwavering commitment to ensuring the very best possible outcomes for students. They will be dedicated to bring the Performing Arts to life for students both within lessons and beyond them, through opportunities such as productions, clubs and competitions.

The Performing Arts Department benefits from first class facilities and accommodation including an impressive theatre with up-to-date sound and lighting equipment, drama and dance studios, the latter of which has a sprung floor, two dedicated music teaching rooms and practice rooms.

The successful candidate will be responsible for ensuring that there is a clear vision for the Performing Arts curriculum across KS3, 4 and 5. They will ensure these aims are underpinned with carefully sequenced schemes of work that support students of all abilities to master the disciplines and achieve excellent academic outcomes. They will be responsible for ensuring that curriculum planning is consistently of a high quality, clearly defining the essential knowledge and skills that students must grasp to progress. They will work to ensure that there is equity in curriculum delivery between teachers and classes.

The successful candidate will be confident in analysing data, and using the conclusions they draw to drive progress. They will have a sharp understanding of what excellent teaching looks like, and previous experience of successfully supporting colleagues with developing their practice.

The Curriculum Leader for Performing Arts role at King's Academy Easthampstead Park is regarded as a senior curriculum leadership position, and as a result, comes with additional non-contact time for the Curriculum Leader for Performing Arts to undertake their leadership responsibilities. The successful candidate will be expected to attend leadership meetings and work closely with Senior Leaders and fellow Curriculum Leaders on whole school curriculum leadership. In return for your passion, commitment and drive, we offer a highly supportive working environment, students who are keen to learn, and outstanding continued professional development opportunities, including access to the National Professional Qualification (NPQ) suite of training.

This is a very exciting time to join us. In November 2022, we joined King's Group Academies (KGA). This has created excellent opportunities for teachers to share ideas and approaches across schools, for the benefit of our students.

At our last OFSTED inspection (November 2021), we were rated as 'Good' in all areas and the inspection team noted that:

"Pupils enjoy coming to their happy and inclusive school. There is a strong ethos of mutual respect, courtesy and care for others."
