THE INSIDE TRACK

17th November - 28th November 2025

OPPORTUNITY AND SUCCESS ON A GLOBAL STAGE

HONESTY * FAITH * COURAGE

The Inside Track – Fourth Edition

Welcome to the fourth edition of *The Inside Track*, where we celebrate the achievements, experiences and successes of our brilliant students. This term has been full of challenge, celebration and community spirit, and we are delighted to share some highlights with you.

Our Year 7 students have embraced adventure through a series of visits to the Oakwood Climbing Centre. These days encouraged teamwork, confidence-building and resilience, as students tackled traversing obstacles, climbing towers and high-ropes courses. Many pushed themselves further than they expected, supporting and cheering one another along the way. It was fantastic to witness the pride and excitement following each achievement. Beyond building courage, the trips strengthened friendships and helped Year 7 students settle into school life with confidence and enthusiasm.

This week also saw the of the Class of 2025 Presentation Evening, where our current Sixth Form students came together with families and staff to celebrate their achievements from Secondary school. Awards recognised academic excellence, leadership, personal development and contributions to our school community. The evening was a proud and reflective occasion, highlighting students' determination, growth and successes, and it was wonderful to see so many accomplishments recognised in one celebration. We are excited to watch these students continue to thrive as they progress through Sixth Form.

We also enjoyed our Celebration of Success mornings, recognising students who earned over 200 house points last term. They were treated to hot chocolate and sweet treats as a token of appreciation for their hard work. More importantly, each student demonstrated our core values of Honesty, Faith and Courage. Their positivity, perseverance and contributions to the wider school community exemplify the spirit we aim to foster at King's Academy Easthampstead Park. We are incredibly proud of every student who reached this milestone and look forward to celebrating even more successes next term. Another highlight was our Year 11 Parents' Evening, which took place virtually. It was wonderful to connect with so many parents and carers online, providing the opportunity to discuss students' progress, strengths and next steps with teachers. Your support at this crucial stage makes a real difference, helping students feel prepared and confident as they move closer to their GCSE exams. We sincerely thank all parents and carers for their ongoing encouragement and partnership.

Thank you for reading this edition of *The Inside Track*. We are incredibly proud of our students and look forward to sharing more updates and celebrations in the months ahead.

🌟 Celebrating Our Amazing Class of 2025! 🌟

On Monday evening, we took a special moment to look back on the incredible achievements of our students during their Year 11 journey — and what a journey it was!

We recognised outstanding effort, character, and commitment through a range of awards celebrating our core values, including Courage, Faith, and Honesty. It was wonderful to see students proudly receiving trophies and shields for their hard work, resilience, personal growth, and contributions to our school community.

From academic excellence to exceptional character, every award told a story of determination and success. We are so proud of everything they accomplished in Year 11 and even more excited to see what they will achieve as Sixth Form students and beyond.

🌟 Congratulations to all our award winners — you are truly inspiring! 🌟

Our Year 7 students have been **pushing their limits and reaching new heights** this week during their tutor group visits to **Oakwood Climbing Centre**! They've been tackling exciting obstacles, problem-solving on the walls, and working together to navigate the best routes between platforms. It's been fantastic to see their confidence grow, their teamwork shine, and their courage take centre stage.

They pushed themselves to climb as high as they could on the wall, while their teammates cheered them on and kept them safely supported from below. The teamwork and trust on display were incredible!

Figuring out the safest and quickest way up and over each obstacle was no easy task, but our students rose to the challenge with impressive determination and resilience. They analysed, adapted, and powered through every step!

Our cross-country team showed outstanding grit and spirit at their first meet of the year. Despite the challenging weather, every pupil gave it their all—pushing through the cold, staying focused, and supporting one another throughout the event. Their effort, teamwork, and positive attitude shone through, and each student represented the school brilliantly.

Attendance

The tutor groups with the highest attendance over the last 2 weeks and winners of the duck awards were...

	Week A	Week B
Years 7 and 8	7D5 – 99.6%	7D7 – 99.6%
Years 9 and 10	10D1 – 97.1%	9D2 – 95.5%
Year 11	11D1 – 93.3%	11D2 – 95.3%
KAEP6	13D2 – 94.1%	13D2 – 95.7%
Pink duck for overall improvement	11D1 – 83.4.8% - 93.3%	10D2 – 90.3% - 93.3%

Joining sports clubs provides valuable physical and mental benefits. Regular exercise supports good health, while participation builds teamwork, discipline, and perseverance—helping students embody KAEP and our core values. Sports clubs also strengthen social connections and boost confidence, offering a positive outlet for energy and stress. Ultimately, they support students' overall development and promote a healthy, active lifestyle.

	Monday	Tuesday	Wednesday	Thursday
Break			Basketball Sports Hall - JSB	
After School	Year 7 - 9 Rugby Field - JEW & Bracknell RFC Starting 08/09/25	Netball Sports Hall - SEB Boys' Football 3G - LSM, JAC, JSB Starting 30/09/25		Girls' Football 3G - CGO Year 9 Bronze DofE <u>Group 1</u> Week A - PJC Room 60, Week B - SEB Room 115 <u>Group 2</u> Week A - SEB Room 115, Week B - PJC Room 60

Extra Curricular Clubs

Participating in extracurricular clubs offers numerous benefits for students, extending far beyond academic achievements. These clubs provide a platform for students to explore their interests, develop new skills, and foster a sense of community. By engaging in activities they are passionate about, students not only enhance their creativity and critical thinking but also demonstrate the qualities that define **KAEP**, putting our core values into action through commitment, integrity, and perseverance.

Leadership roles within clubs teach responsibility, teamwork, and communication skills, which are invaluable in both personal and professional realms. Additionally, extracurricular involvement can improve time management as students balance their academic responsibilities with club commitments. Overall, these clubs enrich the educational experience, helping students to grow holistically, develop character, and prepare for future challenges.

	Club	Time	Room	Staff
