Spring Term Careers Bulletin - Upcoming events

National Apprenticeship Week 9-15 Feb 2026

Welcome to this term's Careers bulletin, designed to support both students and their families as you explore future education and career pathways together. This bulletin will keep you updated on the events, opportunities and partnerships taking place throughout the year.

Our aim is to help every student take confident steps toward a fulfilling and ambitious future. We hope you find this term's updates both helpful and inspiring as you plan the journey ahead.

Students will have the opportunity learn in class about apprenticeships linked to subjects, along with assemblies on T Levels and listen to guest speakers. Click on the link for lots more information [National Apprenticeship Week 2026, 9 - 15 February 2026](#) .

Crisscross Day 12th February 2026

Students will work with a selection of organisations to deliver an effective day in giving them experiences outside of the curriculum, which will inspire and engage their sense of the wider world. Organisation working with the school on the day will be:

- Surrey University - Across KS3 creating an aspirations Curriculum British Heart Foundation - Using the Revivr programme to watch them CPR
- Bracknell & Wokingham College - Working with Yr 9 & 10 - exploring vocational pathways
- Reed Employment - talking to Yr 8 about opportunities
- Kooth - Supporting our students in building resilience in their mental health
- Unifrog - Across Yrs 7-9 developing personal profiles and Yr 10 developing their work experience programme.
- Fujitsu - working with Yr 10 to help them create their own CV

KAEP and Unifrog: Working Together to Enhance Careers Education

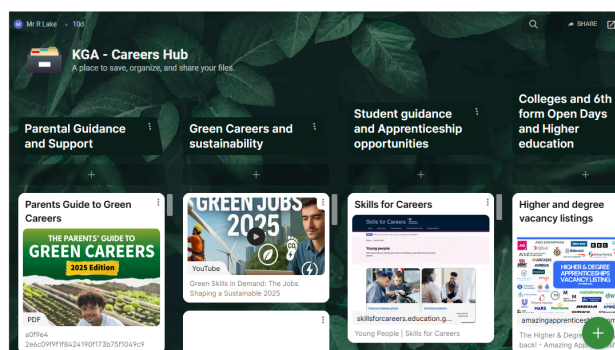

At the start of 2025, we partnered with **Unifrog** to deliver a personalised careers programme for all students in Years 7–13. Every student has now registered with Unifrog and completed the introductory modules. Throughout their time at KAEP, students will build a personal careers portfolio and explore a wide range of opportunities, including:

- Apprenticeships
- Colleges and sixth forms
- Universities
- Sustainable careers
- Support with Year 10 work experience placements

We will continue to keep parents updated, and we will ensure you have access to the same opportunities and information your child receives.

KAEP Live careers Padlet, can be accessed on the school website - **New National Apprenticeship resources available for parents and students**

The **KAEP Live Careers Padlet** is available through the school website and is updated regularly with key careers information. Since

December we have added webinars videos and information supporting you and your child in learning how to access and engage with apprenticeships

- Guidance for parents and students
- College open days
- Careers events and employer opportunities
- Updates from partner organisations

Please visit the Padlet frequently to stay informed.

[KAEP - Live Padlet Careers Info and Guidance](#). Every week information from a range of organisation that we work with is posted onto here for parents and students to access.

Elevate Education

Elevate Education has supported our Year 11 students for the past three years, helping them prepare for their PPE exams and for their final exams in the summer.

Elevate is offering a series of **free parent webinars**,

https://go.elevateeducation.com/l/891981/2025-08-10/v181x/891981/1754878493zdGcRJsF/Elevate_Education_Webinars_Autumn_Term_2025_UK.pdfopen to all families. These will run throughout the remainder of this term and continue into the spring term. We will share the webinar dates with you as soon as they are released.

parents are more than welcome to join [Elevate Parent Webinars](#) These will run through the rest of this term and will continue through the Spring term, we will share these dates as soon as they get to us.

Parent engagement plan for the academic year

Helping every young person find their **best** next step.

In this document we have identified some of the main careers based activities taking place throughout the year. Each year group has its own specific journey and we will ensure you are fully aware of their journey. In November all parents will receive a breakdown of their child's career experiences so far this academic year.

Information for students and parents on the school website

We have been posting recordings of our school assemblies along with on the school careers website area so parents can easily view them at their convenience.

Please look for more information on the website.
