Proud of our traditions and excited for the future, King's Academy Easthampstead Park is a place where every child belongs. We aim to nurture the unique potential within every student, helping them grow in confidence and skill through a rich, engaging curriculum. Here, research-based teaching meets a supportive environment, ensuring our students don't just learn, they thrive.

In November 2022, we joined King's Group Academies (KGA). This has created excellent opportunities for teachers to share ideas and approaches across schools, for the benefit of our students.

"Pupils enjoy coming to their happy and inclusive school. There is a strong ethos of mutual respect, courtesy and care for others."

"Pupils behave well in lessons and around school. They value the educational opportunities that they receive and want to succeed. Knowing their teachers have high expectations and want the very best for them encourages pupils to take pride in their work. Pupils confidently ask for help when they need it."

We aspire to be rated 'Outstanding', driven by a core belief that all of our students deserve nothing but the best possible teaching and support in order to be happy, healthy and successful.
