

King's Academy Easthampstead Park

Financial Support (16-19 Bursary) - Guidance

What does the fund support?

The bursary scheme is designed to help young people remain in education and can be used to pay for transport, support for meals, field trips, equipment and book (including specialist equipment which might be required to participate in vocational courses such as safety boots or overalls). We will also consider support towards travel costs for attending university interviews / open days and payment for UCAS applications.

Discretionary Bursary - who is eligible?

All students are eligible to apply if the following criteria are met:

- household income is below £30,000 or currently entitled to FSM and/or
- your parent/carer(s) receive a certain type(s) of income-based benefit and/or
- you receive free school meals
- You must also have been aged under 19 at the start of your course

Discretionary Bursary - how much will I receive?

The fund is extremely limited so this is dependent on the number of applications received and what support you need. **Generally, an amount of up to £50 is able to be allocated.**

When you require assistance, such as to purchase a text book, **you should apply for the resource via the Finance Office.**

Any resources will usually be purchased for you by the school, as we are generally able to secure best prices, and the expenditure detailed against your bursary account. Reimbursement of purchases made by you can be requested with supporting receipts / invoices. **All physical items purchased for you are expected to be given back at the end of your course for the benefit of other students.**

Higher Level Bursary

Those most in need, such as young people in care, care leavers, young people receiving income support or Universal Credit and disabled young people receiving both Employment Support Allowance and Disability Living Allowance will receive a higher-level bursary of £1,200 if their application is successful. These bursaries are applied for independently from the main bursary fund allocated to the school. This is payable in agreement with the school. Please note that meeting the criteria for a bursary for vulnerable groups does not automatically mean funding will be given (e.g. If there are no financial needs or the LA are supporting educational costs).

How do I apply?

All students have to complete the application form in full (incomplete forms will not be accepted) and also sign and return the slip on the contract. **The necessary supporting information must also be provided at the time of submitting the application form (evidence for income-assessed benefits must be dated within three months).**

The bursary fund is limited so applications will be on a priority of need basis and then 'first come first served' will be applied. Should the fund be exhausted and therefore you are not awarded a bursary, you will be invited to apply again if additional funding is received in year.

If there is an emergency / urgent need for assistance please speak to the Assistant Headteacher KAEP6.

You should be informed of the outcome of your application within 4 weeks following receipt.

Applications are to be handed in to the Finance Office with the relevant evidence.
